Message from the CEO

Cowan Insurance Group Ltd., which includes Princeton Holdings Limited and Cowan Benefits Ltd. (collectively, “we”), is committed to ensuring equal access and participation for persons with disabilities. We are committed to treating persons with disabilities in a way that allows them to maintain their dignity and independence. Our goal is to provide quality products and services that are accessible to people of all abilities in a way that is consistent with the principles of dignity, independence, integration and equal opportunity.

Overview

In 2005, the Ontario Government passed the *Accessibility for Ontarians with Disabilities Act, 2005* (referred to as **AODA** hereafter) to make Ontario accessible by 2025. O Reg 191/11 Integrated Accessibility Standards (the “**IAS**”) was enacted in Ontario to develop specific standards and rules that businesses and organizations in Ontario need to follow to identify, remove and prevent barriers so that people with disabilities have more opportunities to participate in everyday life.

The IAS divides compliance into five categories:

- Information and communication;
- Employment;
- Transportation;
- Design of public spaces; and
- Customer service.

Each category has its own requirements and timelines for compliance. The purpose of the AODA is to benefit all Ontarians by:

- (a) developing, implementing and enforcing accessibility standards in order to achieve accessibility for Ontarians with disabilities with respect to goods, services, facilities, accommodation, employment, buildings, structures and premises on or before January 1, 2025; and
- (b) providing for the involvement of persons with disabilities, the Government of Ontario and of representatives of industries and various sectors of the economy in the development of accessibility standards.

We are a “large organization (private and not-for-profit) with 50+ employees” pursuant to the AODA and will make every reasonable effort to ensure that our policies, practices and procedures are consistent with the principles of dignity, independence, integration and equal opportunity. For the balance of this document, “we” will refer to our companies with 50 or more employees.

This **Multi-Year Accessibility Plan for Ontario Locations** (“the **Plan**”), outlines our strategy to prevent and remove barriers to address the current and future requirements of the AODA. It also fulfills our disclosure commitment as outlined in the our Accessibility Policy.
